SUMMARY

I am a passionate **Software Engineer** with a focus on **solving problems** and delivering **impactful results**. While I currently specialize in **web and app development**, I am highly **adaptable** and **quick to learn** any technology where I'll get to learn something new. I'm ready to work in **collaborative environments**, where being part of a great team allows me to contribute meaningfully while growing both **personally** and **professionally**. I also write articles in my free time to share my learnings about **tech**.
